APRIL 2013

Volume 13, Issue 4

COORDINATOR'S CORNER

- Help us to spread cheer by bringing in blank **birthday and get well cards** (non-religious) for us to send to our members. You may get them unsolicited from charitable organizations, and we can put them to good use.
- Member Leo Piovano, who teaches Italian at the center, will share his experiences in World War II and in the Korean War in his presentation: **An Italian Journey from War to Peace and from Peace to Diversity**. See him at the NP Memorial Library on Saturday, April 6 at 3PM. Leo will also speak about art in the Easter Season at our April 17 meeting.
- The annual **Seniors Health Fair** is Wednesday, May 8 from 8-11AM. Beginning April 15, paperwork will be available and appointments may be made at the center between 1-4PM for a complete fasting blood chemistry screening. Local healthcare professionals and service providers will be at the fair to speak with you and many will provide demonstrations. Many hands are needed to make the fair a success. If you can help Janice with this busy morning, please sign-up at the center and come to the planning session on April 11 at 1PM.
- With the construction last August, we didn't get a chance to do a "head to toe" cleaning of the center. On April 10 we'll do a good ole' **spring cleaning** and get our place in tip-top shape. We'll have some desserts to help keep everyone's energy up. Sign-up to help at the center.
- It's not too late to join Lucia as she directs us on "**Writing our Memories**". We are like "books in a library," each with a story to tell. Lucia will guide us through the pages for ourselves and the generations that follow us. Come by on Thursdays from 1:30-3PM from April to June 6.
- The **NP Historical Society invites you to celebrate their anniversary** on Thursday, April 11 at 6PM with a dinner hosted by "Martha Washington" at Berkeley Plaza. The cost is \$32. Please see Linda Kale for more information and tickets.
- The April 1 **Cards and Games Party** fund raiser will be rescheduled. See Joan or Rosemarie for more information.
- The UCC class, **Selected Topics in Biology** will take place on **Fridays** in April and May.
- It is almost **time for our gardens** to come alive. Watch for information on ways to participate.

- Pat Connolly helped us celebrate the Irish in all of us with a fabulous St. Patrick's Day dinner.
- We thank Harry for sharing his bird trivia with us and for organizing the trip to Newark. We look forward to Christine adding her "Bird Facts" and bird crafts soon.
- Mary and Ira Krauss donated two large pamphlet and magazine racks that are attractive and useful. Thanks!

The Good Old Days

Do you remember the good old days? Well I sure do! If your memory needs a little nudge, some of these things will take you right back, and I hope bring a smile to your face.

Pick-up the phone and you heard, "Number please?" and you said, "Randolph 4-3381." You picked up the phone and heard voices! Remember party lines? You had to remember your ring before you answered the phone!

Playing tag and hide and go seek on a summer evening. Catching lightening bugs in a jar. Sometimes we pinched off the glowing end and put it on our finger for a glorious glowing ring! How could we do that?

More to come next month...

THE RUBBER DUCKY RACE IS COMING SOON!

The \$5 Duck Adoption tickets for this mid-June event will soon be available. The NP Senior Citizens Club has been designated by the Berkeley Heights Rotary Club as a "Soliciting Sponsor." This means that our Club will receive 49% of the price of each ticket that it sells. WOW!

Our treasury appreciates funds, and we want all of our members, active and inactive, to pitch in and agree to sell 2 tickets (or more!) at a total cost of \$10 to friends, neighbors, family or themselves. If you're inactive or a member with a Medic Alert, please call Jack Spencer at 908-665-1342 to learn how you can do your part. Remember that while you're helping to boost the Club treasury, you also have a chance for a prize (all are donated by Berkeley Heights merchants) if your duck is one of the first 50 to cross the finish line.

See you at the race!

Senior Moment

An elderly gent was invited to his old friend's home for dinner one evening. He was impressed by the way his buddy preceded every request to his wife with endearing terms: Honey, My Love, Darling, Sweetheart, Pumpkin, etc. The couple had been married almost 70 years and, clearly, they were still very much in love.

While the wife was in the kitchen, the man said to his host, "I think it's wonderful that after all these years you still call your wife those loving pet names."

The older man hung his head. "I have to tell you the truth," he said, "I forgot her name about ten years ago."
