### COORDINATOR'S CORNER

Many of you know that this is my first year here and so far November was my favorite month at NPSCC. We started the month with an incredibly entertaining show by Eric Kearns followed by a very moving Veteran's Day program that Peggy Brodeur organized. Many local businesses donated food and several Lions Club members donated their time. Don Elefante provided the entertainment. Please see page 3 for a list of those businesses. I also experienced New Providence High School Senior Citizens' Day for the first time and it was truly a wonderful event. The musical, acting and the culinary talents of the students were extremely impressive. I feel very fortunate to be living in this wonderful town.

With the winter weather just around the corner, remember that **when the schools are closed for rain, snow and/or ice, the center is also closed**. If the schools have a delayed opening, the center opens at noon.

We are looking forward to the following programs:

- **Jersey Gardens Mall trip**, New Jersey's largest outlet and value retail center with over 200 stores under one roof, on Tuesday, December 1st.
- **Walgreens** will give a presentation on the most effective over-the-counter cold and flu products on Wednesday, December 2nd. Pneumonia and/or shingles shots will also be available. Please sign up in MY OFFICE. If you provide your Medicare Part B coverage information, Walgreens will let you know the cost of the vaccine.
- We will address **Holiday Greeting Cards** for our absent members on Thursday, December 3rd.
- "After Hours" will hold their **Holiday Party** on Thursday, December 3rd.
- The Diversity Committee will hold a **Tree Lighting Ceremony** at the Centennial Park Gazebo on Friday, December 4th.
- We will **Decorate the Center for the Holidays** on Sunday, December 6th.
- The **NPSCC Holiday Dinner** will be held on **Wednesday, December 9th**. There will be a festive dinner and music provided by the NPMS Girls' Chorus.

**THE CENTER WILL BE CLOSED WEDNESDAY, DEC 23rd - SUNDAY, JAN 3rd.**

## Top 10 Scams Targeting Seniors

As part of our continuing series on elder fraud, this month we will discuss fraudulent anti-aging products.

In a society bombarded with images of the young and beautiful, it's not surprising that some older people feel the need to conceal their age in order to participate more fully in social circles and the workplace. After all, 60 is the new 40, right?

It is in this spirit that many older Americans seek out new treatments and medications to maintain a youthful appearance, putting them at risk of scammers. Whether it's fake Botox like the one in Arizona that netted its distributors (who were convicted and jailed in 2006) \$1.5 million in barely a year, or completely bogus homeopathic remedies that do absolutely nothing, there is money in the anti-aging business.

Botox scams are particularly unsettling, as renegade labs creating versions of the real thing may still be working with the root ingredient, botulism neurotoxin, which is one of the most toxic substances known to science. A bad batch can have health consequences far beyond wrinkles or drooping neck muscles.

### Tips for Avoiding Fraudulent 'Anti-Aging' Products:

- If it sounds too good to be true, it probably is. Watch out for "Secret Formulas" or "Breakthroughs."
- Don't be afraid to ask questions about the product. Find out exactly what it should and should not do for you.
- Research a product thoroughly before buying it. Call the Better Business Bureau to find out if other people have complained about the product.
- Be wary of products that claim to cure a wide variety of illnesses—particularly serious ones—that don't appear to be related.
- Be aware that testimonials and/or celebrity endorsements are often misleading.
- Be very careful of products that are marketed as having no side effects.
- Question products that are advertised as making visits to a physician unnecessary.
- Always consult your doctor before taking any dietary or nutritional supplement.

## Christmas Laughs

Christmas is special, all right. What other time of year do you sit in front of dead tree and eat candy out of your socks?

Santa Claus goes down so many chimneys that I hear he's thinking of getting a flue shot.

Who says "Oh Oh Oh"? Santa Claus walking backwards.

Christmas is that time when everyone gets all Santamental.

What does Santa Claus say to all the toys on the night of Christmas Eve? "OK, everybody, time to hit the sack!"

*The American Legion Magazine*

"I heard a bird sing  
In the dark of December  
A magical thing  
And sweet to remember.

'We are nearer to Spring  
Than we were in September,'  
I heard a bird sing  
In the dark of December."  
- Oliver Herford, *I Heard a Bird Sing*

*"May you have the gladness of Christmas  
which is hope;  
The spirit of Christmas which is peace;  
The heart of Christmas which is love."*  
- Ada V. Hendricks
